Clothes Washers

An ENERGY STAR® certified clothes washer saves energy two ways: it uses about 25% less energy and 40% less water.*

*Source: energystar.gov accessed 12/1/16

One clothes washer rebate per customer address per calendar year. Rebate not to exceed total purchase price. Efficiency Maine does not warrant the performance of installed equipment. Program is subject to change without notice. Please allow six weeks for rebate processing. Incomplete information may delay or disqualify your rebate.
