Eligibility

- Agricultural incentives are available to all Maine farms and agricultural-related businesses.
- Products purchased with Efficiency Maine incentives must be installed in your place of business in Maine.
- Pre-approval is NOT required for agricultural applications.
- Incentives are available for retrofit applications or new construction, unless otherwise specified.

Guidelines

- Each business is eligible for Efficiency Maine incentives up to \$300,000 per business, per calendar year.
- Measures that save electricity, but are not noted as a prescriptive incentive measure, may be eligible under our custom incentive program. Contact us for more information at 866-376-2463.
- Efficiency Maine reserves the right to monitor and/or inspect the installation and energy use of the products for which incentives are paid.
- Efficiency Maine may publicize your participation in this program, unless otherwise requested.
- This offer may be changed, revised, or discontinued at any time by Efficiency Maine.

Efficiency Maine is a statewide effort to promote the more efficient use of electricity, help Maine residents and businesses reduce energy costs, and improve Maine's environment.
