

# Efficiency Maine Business Program

## Commercial New Construction or Major Renovation Project Project Registration

Leading the Way to a Brighter Future

### Is my Project Eligible?

You must be building or substantially renovating a commercial, institutional, or industrial building, or expanding an existing building. Major renovations usually consist of significant rework to the interior layout and finishes, changes to the exterior envelope, and/or the replacement of mechanical and electrical systems.

**We are available to help with your project, call us at 866-376-2463. Efficiency Maine will review the details of your application and will contact you to review the available incentives.**
