

Refrigeration Prescriptive Cash Incentives

These incentives are currently suspended.

Refrigeration represents a significant portion of the electric bill for restaurants, groceries and convenience stores. Businesses can save energy and money with incentives provided for the purchase of new energy-efficient equipment and retrofits for existing equipment.

Measure Code	Description	Incentive
R19	Evaporator Fan Motor Control for Cooler or Freezer	\$550 Per Control
R20	Door Heater Controls for Cooler or Freezer	\$150 Per Circuit
R30	Zero-Energy Doors for Coolers	\$125 Per Door
R31	Zero-Energy Doors for Freezers	\$300 Per Door
R40	High-Efficiency Evaporator Fan Motors for Walk-In Coolers or Freezers	\$50 Per ECM Motor
R41	High-Efficiency Evaporator Fan Motors for Refrigerated Warehouses	\$100 Per ECM Motor
R42	High-Efficiency Evaporator Fan Motors for Merchandise Cases	\$20 Per ECM Motor
R50	Floating-Head Pressure Controls (1 Coil)	\$250
R51	Floating-Head Pressure Controls (2 Coils)	\$375
R52	Floating-Head Pressure Controls (3 Coils)	\$500
R60	New Discus Compressors - 3 HP	\$375
R61	New Discus Compressors - 4 HP	\$500
R62	New Discus Compressors - 5 HP	\$625
R63	New Discus Compressors - 6 HP	\$750
R70	New Scroll Compressors - 2 HP	\$220
R71	New Scroll Compressors - 3 HP	\$330
R72	New Scroll Compressors - 4 HP	\$440
R73	New Scroll Compressors - 5 HP	\$550
R74	New Scroll Compressors - 6 HP	\$660
R80	Commercial ENERGY STAR® Reach-in Coolers & Freezers	\$100
R90	Commercial Ice Makers	\$100
