SIGNATURES. Please certify that all information on this claim form is correct by signing below. Incorrect information could result in a rebate request being delayed or declined. If the homeowner or installer fails to comply with the terms and conditions of this rebate, the homeowner or installer may be required to repay to Efficiency Maine the full amount of the original rebate, plus attorney fees and costs of collection. By submitting this claim, I agree to allow Efficiency Maine to verify installation and perform an inspection. If building access is required for an inspection, I agree to work with Efficiency Maine to schedule a mutually convenient time. I understand that Efficiency Maine may contact me about my experience on this project and I consent to receive program-related email and/or phone communications from Efficiency Maine and its service providers.
