CUSTOMER ACKNOWLEDGEMENT

Expected Completion Date: _____

Customer represents that all information provided in connection with this application is accurate and complete, with no known omissions of material information. Customer acknowledges that supplying false or misleading information will result in the application being deemed ineligible and may result in Customer's suspension or debarment from participation in Efficiency Maine programs.

Customer acknowledges that, should this application and project be approved, Customer must contribute the required matching funds. Any additional grants for the project will reduce the incentive provided by Efficiency Maine.

Customer represents that this application is consistent with the Commercial & Industrial Program rules and the terms of the relevant Program Opportunity Notice (PON EM-____-____-v____). Should this application and project be approved, Customer will be required to enter into a contract with the Efficiency Maine Trust, and shall be obligated to abide by all applicable Program rules.
