The Trust and the Recipient are each a "Party" and collectively, the "Parties."

WHEREAS, the Trust administers certain funds under programs designed to promote and advance measures, investments, and arrangements in the State of Maine that enhance energy efficiency and conservation, reduce electricity consumption and cost, and reduce greenhouse gas production by fossil fuel combustion;

WHEREAS, the Trust has issued a Program Opportunity Notice ("PON") for funding of certain projects designed to meet specified program criteria (the "Program");

WHEREAS, Recipient has submitted an application in response to a PON for funding of a certain project under the Program (the "Application"), which project is described in the Statement of Work, Specifications and Project Description in Rider A (the "Project");

WHEREAS, the Trust, in reliance upon Recipient's representations contained in the Application and Recipient's covenants and commitments contained in this Agreement, has decided to make an award to Recipient under the Program for implementation of the Project (the "Incentive Award").

NOW, THEREFORE, for valuable consideration, the Parties hereby agree as follows.

1. INCENTIVE AWARD; PROJECT PERIOD; AND FUNDING DISBURSEMENTS.

- 1.1 Relying upon Recipient's representations in its Application and Recipient's compliance with all terms and conditions of this Agreement, the Trust will provide Recipient an Incentive Award of \$XXX.XXX for the Project, subject to adjustment as provided in this Agreement.
- 1.2 The Trust reserves the right to adjust the Incentive Award as necessary to maintain compliance with the Trust's established Program funding criteria and any Project incentive award limitations as set forth in the PON.
- 1.3 This Agreement shall commence on [redacted], 20[redacted] and the Project shall be installed and placed into service by [redacted], 20[redacted] (the "Project Period"), unless earlier terminated in accordance with the provisions of this Agreement.
- 1.4 The Incentive Award shall be disbursed to Recipient by the Trust in accordance with the Payment Schedule and Project Milestones set forth in Rider B. - 1.5 Recipient shall expend Incentive Award funds only for approved Project purposes and only in accordance with the terms and conditions of the Program and this Agreement.
- 1.6 Recipient acknowledges that payment of the Incentive Award is conditioned on Recipient's assignment to the Trust of capacity resource credits and forward capacity market revenues resulting from the Project.
- 1.7 The Trust will not reimburse Recipient for any cost or expense that is contrary to this Agreement or applicable law. Any expenditure by Recipient or commitment by Recipient to expend funds for the Project prior to the

effectiveness of this Agreement is at Recipient's risk. Reimbursement of Project funds expended or committed by Recipient prior to the effectiveness of this Agreement is at the Trust's sole discretion.

- 1.8 By submitting any invoice or request for reimbursement, Recipient is representing that the services or costs identified in the invoice or request for reimbursement have been provided or incurred, are within the approved Project scope, and that such costs and expenses are proper and allowable under this Agreement. By paying all or a portion of any invoice or request for reimbursement, the Trust does not waive its right to recover any payment or reimbursement later determined to be improper or not allowable under this Agreement.

The Trust does not endorse, guarantee, or warrant any particular vendor, contractor, manufacturer or product, and it provides no warranties, express or implied, for any product or services. Neither the Trust nor its consultants are responsible for assuring that the design, engineering, or construction of the Project or installation of the energy efficiency and conservation measures is proper or complies with any particular laws, codes, or industry standards. 3.7 There has been no material adverse change in the business, operations, or financial condition of Recipient, or in the matters described in the Application pertaining to the Project, since the submission of the Application. Recipient represents that neither the Application, nor any document, report, or certification given by Recipient in connection with this Agreement or the Project contains any untrue statement of material fact or any knowing omission of material fact.

3.8 Recipient shall notify the Trust of any material change in Recipient's legal status, financial status, corporate status, or compliance status with applicable laws, or any other change in status of the Project that could have a material adverse effect on Recipient's ability to complete and implement the Project as described in Recipient's Application and this Agreement.

3.11 Recipient acknowledges that a breach of any representation contained herein or the provision of any false or misleading information or knowing omission of material information in connection with the Project, whether by Recipient or its agents, may result in termination and revocation of the Incentive Award, require the immediate reimbursement of any Incentive Award amounts previously disbursed, and may result in Recipient's suspension or debarment from participation in Trust programs.

3.12 Recipient's representations constitute continuing representations.

4. SUSPENSION OF INCENTIVE AWARD.

The Trust shall have no further obligation to Recipient after termination.

5.3 Notwithstanding anything to the contrary in this Agreement, the Trust may terminate this Agreement, in whole or in part, in its discretion and without penalty, in the event that funds are de-appropriated, re-allocated or restricted by any governmental authority or court of competent jurisdiction, the Trust's authorization to operate or administer the Agreement or the relevant program or project is withdrawn or curtailed, there is a material change in project or program conditions, or there is a material change in legislation affecting the Trust's authority or operations.

5.4 The Trust reserves all rights and remedies available at law or in equity in the event of a breach of this Agreement by Recipient including, without limitation, the right to demand reimbursement of all Incentive Award funds disbursed under this Agreement and, upon such demand, Recipient shall immediately so reimburse the Trust. RIDER A**STATEMENT OF WORK, SPECIFICATIONS AND PROJECT DESCRIPTION**

Recipient shall implement and perform the Project in accordance with the requirements of PON#_____.

[INSERT PROJECT DESCRIPTION AND STATEMENT OF WORK AND ANY SPECIFICATIONS OR REDUCTION/EFFICIENCY LEVELS TO BE ACHIEVED]

Also, to enable ongoing monitoring and reporting of the generator output by the Trust, the Recipient is responsible for purchasing and installing an AcquiSuite Plus DAS A8810-41M meter and associated equipment in a NEMA rated enclosure with appropriate heat mitigation. The installation location will be selected to minimize cable runs from the data logger to CTs installed on the generator power leads.

The Recipient will provide the data logger with a dedicated router with 24/7 internet access. Internet access can be achieved through connection to an existing network or through installation of a dedicated cellular modem on the Verizon Wireless LTE network. If a cellular modem is required, a Digi WR21 Cellular Modem/Router is recommended. The Recipient is responsible for the purchase and installation of an external antenna if weak wireless cellular coverage necessitates the installation. If wireless communications are selected, the Recipient will contact the Trust and arrange for delivery of a SIM card. The Trust will own the data account.

The Recipient will be responsible for configuring the A8810-41M to communicate with the Trust's database per specifications provided by the Trust. Configuration activities include installing of two option modules and defining the following parameters: upload URL, host name, username, password, logging interval, and CT specifics. The Recipient will provide the Trust with the serial number, username and password of the A8810-41M so that the Trust's database can be configured appropriately before accepting data uploads.

Alternatives to the AcquiSuite A8810-41M DAS and meter that meet the same level of accuracy and reporting capabilities may be considered at the Trust's discretion.

RIDER B**PAYMENT SCHEDULE AND PROJECT MILESTONES**Contract No.

Incentive Agreement Total: \$ _____ (Subject to adjustment as provided in the Agreement)

INVOICES AND PAYMENTS. The Trust will disburse the Incentive Award to Recipient in installments upon full completion or satisfaction of each milestone, as follows:

Milestone #1: 100% (\$____)

- An invoice to the Trust requesting the milestone incentive payment and referencing the contract number;
- A signed interconnection agreement and certificate of completion (COC) as well as a final approval to operate letter from the recipient's utility;
- Project cost documentation including vendor and contractor invoices showing the total as-built project cost;
- Completion of a final inspection by the Trust or its representatives;
- Verification that the generation data reporting has been initiated to the Trust's effRT database and is accurately reflecting the system's operation.

Invoices for payment must contain sufficient detail to establish completion of the relevant milestone, reference the contract number, and include copies of invoices associated with the Recipient's Project equal to or greater than the associated disbursement amount requested. In lieu of mailing, invoices and supporting documentation may be submitted via electronic mail to accountspayable@efficiencymaine.com, with a copy to the Agreement Administrator.

Payments are subject to the Recipient's compliance with all terms set forth in this Agreement and subject to the availability of funds. No invoice will be processed for payment until approved by the Agreement Administrator. The Trust will process approved payments within 30 days. The Trust is not responsible for any direct payments to Recipient's contractors or vendors.

All payments are subject to reimbursement by Recipient in the event of a breach of the Agreement.

4. **EMPLOYMENT AND PERSONNEL; STATE EMPLOYEES NOT TO BENEFIT.** Recipient shall not engage any person in the employ of the Trust or any State department or agency in a position that would constitute a violation of 5 MRSA § 18-A (Conflicts of Interest in Contracts with State) or 17 MRSA § 3104 (Conflicts of Interest in State Purchases). No individual employed by the Trust or the State at the time this Agreement is executed or any time thereafter during the Project Period shall be admitted to any share or part of this Agreement or to any benefit that might arise therefrom that would constitute a violation of 5 MRSA § 18-A or 17 MRSA § 3104. Recipient shall not engage on a full-time, part-time or other basis during the Project Period any other personnel who are or have been at any time during the Project Period in the employ of the Trust or any State department or agency, except regularly retired employees, without the written consent of the Executive Director of the Trust. 7. **RECORD RETENTION AND INSPECTION.** Recipient shall make and retain all such documents and records necessary to establish proper performance of the Project and to support all invoices and requests for payment under this Agreement. Recipient shall retain all project records (including financial records, progress reports, service, equipment, and material orders, invoices, evidence of payment, and payment and reimbursement requests) for a minimum of three (3) years following the expiration or termination of this Agreement. Recipient shall permit the Trust or its authorized representatives to examine such records and to interview any officer or employee of Recipient or any of its contractors regarding the work performed under this Agreement. Recipient shall furnish copies of all such records upon request.

8. ACCESS TO PUBLIC RECORDS. Accordingly, subject to the foregoing limitation on designated confidential information, Recipient hereby agrees to permit disclosure of information about Recipient's project and how Incentive Awards and Program funds were awarded and spent.
9. COMPLIANCE WITH LAW. Recipient shall comply with all applicable laws, rules, regulations and ordinances in the performance of this Agreement. Recipient is responsible to obtain and maintain all permits, licenses, and other approvals as may be required under applicable laws for implementation of Recipient's project and the performance of any work or services under this Agreement.

Recipient agrees to indemnify, defend and save harmless the Trust and its officers, directors, trustees, agents and employees from and against any and all demands, suits, actions, claims, injuries, liabilities, losses, damages, costs, fees, and expenses (including attorney fees and legal expenses and the costs of enforcing any right to indemnification under this Agreement) made against or suffered or incurred by the Trust resulting from or arising out of Recipient's performance of this Agreement, the Project, or the installation or operation of the equipment or efficiency measures funded in whole or in part by an incentive or award provided by the Trust. Claims to which this indemnification applies include, without limitation: (i) claims of any contractor, subcontractor, materialman, laborer and any other person, firm, corporation or other entity providing work, services, materials, equipment or supplies in connection with the performance of this Agreement or the Project; (ii) personal injury, death, or property damage suffered or incurred by any person or entity arising from the Recipient's performance of this Agreement or the installation or operation of the Project, including claims of Recipient's employees, agents, or contractors and subcontractors; and (iii) claims arising or resulting from Recipient's breach of this Agreement or violation of law. Recipient's indemnity obligations apply without regard to any alleged negligence of the Trust and without regard to any immunity that might otherwise be accorded under the workers' compensation laws. This indemnification is intended to be as broad as the law allows.
11. NOTICE OF CLAIMS. Recipient shall give the Agreement Administrator immediate notice in writing of any legal action or suit filed related in any way to the Agreement or which may affect the performance of the Agreement or the Project, and prompt notice of any claim made against the Recipient by any contractor or vendor which may result in litigation related in any way to the Agreement or which may affect the performance of duties under the Agreement.
12. APPROVAL. This Agreement must have the written approval of the Executive Director of the Trust before it can be considered an enforceable contract binding on the Trust.
13. TAXES. Recipient shall be solely responsible for the determination and payment when due of all taxes that may be due in connection with the Incentive Award and the Project.
14. INSURANCE. Recipient shall procure and maintain commercial general liability insurance with coverage for the activities and risks associated with the Project and with coverage limits sufficient to protect itself and the Trust, as additional insured, from claims arising from the Project, including any contractual liability of Recipient under this Agreement. Recipient shall procure and maintain workers' compensation insurance coverage as required under Maine law. Recipient shall procure and maintain replacement value "all risk" property and casualty insurance covering the Equipment funded with the incentive or grant provided by the Trust. Prior to disbursement of any Incentive Award amount, Recipient shall furnish the Trust with a certificate of insurance or other written verification of the existence of all such insurance coverages required under this Agreement.
15. NON-APPROPRIATION. Notwithstanding any other provision of this Agreement, if the Trust does not receive sufficient appropriations to fund this Agreement, if funds are de-appropriated or re-allocated, or if the Maine State Legislature, the Maine Public Utilities Commission, or a state or federal court restricts or divests the Trust of its authority to expend funds, then the Trust will be relieved of any obligation to make further payments under this Agreement.

16. FORCE MAJEURE. The obligations of each party under this Agreement shall be excused for the duration of any Force Majeure Event that prevents a Party's ability to perform such obligations. A "Force Majeure Event" shall mean an act of God, act of war, riot, fire, explosion, flood or other catastrophe, or other condition or circumstance beyond the reasonable control of a Party and which could not reasonably be avoided by the Party claiming Force Majeure. The Party claiming Force Majeure shall notify the other Party upon the occurrence of a Force Majeure Event that will or is expected to prevent performance under this Agreement. The Trust may terminate this Agreement if a Force Majeure Event lasts more than 90 days.
17. SET-OFF RIGHTS. Without limiting any other right or remedy, the Trust shall have all common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the Trust's option to withhold for the purposes of set-off any monies due to Recipient under this Agreement up to any amounts due and owing to the Trust with regard to this Agreement or any other agreement between Recipient and the Trust, including any agreement for a term commencing prior to the term of this Agreement.
18. RESERVATION OF IMMUNITIES; DAMAGE LIMITATION. The Trust is a quasi-state agency and governmental entity and expressly retains all defenses to, immunities from, and limitations of liability. Nothing in this Agreement is intended, nor shall be construed, to constitute a waiver of any defense, immunity, or limitation of liability that may be available to the Trust, or to any of its officers, agents or employees, pursuant to the Eleventh Amendment to the Constitution of the United States of America, the Maine Constitution, the Maine Tort Claims Act (14 M.R.S.A. § 8101 et seq.), or any other state or federal statute or the common law. In no event shall the Trust be liable to Recipient or any person or entity claiming through Recipient for indirect, incidental, special, or consequential damages of any kind, all of which are expressly waived by Recipient.
19. NO THIRD-PARTY RIGHTS. No person or entity that is not a party to this Agreement may assert any right or make any claim under this Agreement.
20. EFFICIENCY MAINE LOGO; PUBLIC DISCLOSURE. The "Efficiency Maine" name and logo are registered trademarks of the Trust. The Trust grants Recipient a limited, revocable, non-exclusive license to use the Efficiency Maine logo in connection with the Project to publicly acknowledge the Trust's funding and participation in the Project. Any such use must be in strict accordance with the Trust's design, image, and placement standards. The license to use the "Efficiency Maine" marks is revocable by the Trust at any time.
21. ENERGY DATA. Recipient grants the Trust and its agents access to its utility data and energy usage information as reasonably necessary in connection with the Project and the Program. Recipient authorizes the Trust and its agents to access the Equipment, facilities and records to collect, copy, and review data needed to measure and verify energy usage, electricity savings, fuel reductions, and Equipment performance (this may include but is not limited to utility bills, metering data, facility equipment surveys, information on operational practices, and site occupancy levels). Recipient agrees to provide the Trust or its agents associated data from a period prior to the start of the Project as necessary to establish baseline energy and/or fuel use and costs.
22. INFORMATION IN SUPPORT OF THE PROGRAM. The Trust is required to report on use of and the performance of energy efficiency and conservation programs and projects. Information from these reports may be made available to the public. Recipient agrees to cooperate with the Trust on such reporting and shall provide information related to the award, this Agreement, the Project, and any related agreement as requested or required by the Trust to meet its obligation to provide accurate, complete, and timely information to the public, to meet the Program reporting requirements, and/or to comply with state or federal law or regulation.
23. SITE VISITS. The Trust has the right to make site visits at reasonable times to review Project progress, performance, and operation. Recipient shall provide reasonable access to facilities, resources, and assistance for the safety and convenience of the Trust and its representatives to perform their duties. All site visits will be performed in a manner that does not unduly interfere with or delay the work or operations of Recipient or its contractors. Site visits shall be subject to Recipient's reasonable facility access, safety, security, and confidentiality policies.
24. MEASUREMENT AND VERIFICATION. Recipient shall allow independent third-party verification of Project completion and energy savings under terms as may be established by the Trust. Recipient shall work in good faith with the Trust to develop a measurement and verification plan designed to assess the performance of the

Equipment and achievement of Project and Program goals. Recipient shall conduct and cooperate in such auditing and reporting as may be necessary to assess performance of the Project and shall provide information as may be necessary or useful for such purposes.

25. CAPACITY RESOURCES; CREDITS; FORWARD CAPACITY REVENUE. In consideration of the Incentive Award, and unless otherwise expressly agreed in writing by the Trust, the value of all such Capacity Resources, Credits and Revenues produced or resulting from the Project for the expected lifetime of the equipment and measures installed or implemented under this Agreement shall be deemed owned by the Trust and the Trust shall have the sole right to bid, trade, transfer, sell, assign, use, and apply all such Capacity Resources, Credits and Revenues for the benefit of the Trust and the programs administered by the Trust under the Efficiency Maine Trust Act. Recipient hereby transfers and assigns to the Trust all of Recipient's right, title, and interest in such Capacity Resources, Credits and Revenues.
26. VENDOR OR CONTRACTOR SELECTION. Recipient may select any vendor or contractor to provide the equipment and perform the work for the Project. The Trust, however, reserves the right to prohibit specific vendors or contractors from Program participation. Recipient is solely responsible for management of its Project vendors and contractors.
27. REMOVAL OF EXISTING EQUIPMENT. If the Incentive Award from the Trust is intended to fund the replacement of inefficient equipment, Recipient agrees, as a condition of participation in the Program, to remove and dispose of the equipment being replaced by the efficiency measures installed or implemented under this Agreement in accordance with all applicable laws. Recipient agrees not to reinstall any of the replaced equipment anywhere in the State of Maine or transfer it to any other party for installation in the State of Maine.
28. MEASURE LIFE. It is the express intention of the Parties that the Equipment and efficiency measures funded in whole or in part with the Incentive Award shall be used for the purposes intended under the Program and this Agreement, and that all such efficiency measures and Equipment funded by the Trust will be used for their rated useful life. By accepting an Incentive Award, Recipient hereby agrees that it will not discontinue use of the installed efficiency measures and Equipment without prior written approval from the Trust. Any authorized transferee or assignee of this Agreement or the Equipment shall be bound by the obligation to keep the efficiency measures and Equipment in place and in use pursuant to the terms of this Agreement.
29. ADDITIONAL CONTRACTING REQUIREMENTS.
