\$200 Rebate

ENERGY STAR® Certified

Smart Thermostat

\$200 Rebate

Bangor Natural Gas, Maine Natural Gas, and Unitil residential customers are eligible for a rebate up to \$200 toward the cost of an installed smart thermostat.

According to ENERGY STAR®, a smart thermostat can reduce heating system run-time by 8% or more.*

Here's how to get your rebate:

1. Buy a smart thermostat November 1, 2021 - June 15, 2022
2. Install it in your home
3. Email us a claim form, your receipt, and a picture of the installed thermostat by June 15, 2022

Funding is limited. Call 866-376-2463 by April 15, 2022 if you'd like to reserve funding while you purchase and install your smart thermostat.

One smart thermostat rebate per residential utility account number. Past natural gas smart thermostat program participants are not eligible. Rebate not to exceed total purchase price. Unit must be new but may be purchased anywhere as long as it is installed in an eligible home. Efficiency Maine does not warrant product performance. Program is subject to change without notice. Incomplete information may delay or disqualify your rebate. Offer is not transferable. By submitting a claim form, you agree to allow Efficiency Maine to verify installation and contact you about your experience with the product. Please allow six weeks for rebate processing.
