

Efficiency Maine EV Rebates

Participating Dealer Newsletter October 2025

Program Notices

- Efficiency Maine has switched to a new payment processing provider, CLEAResult Inc. Dealerships must enroll in CLEAResult's payment system to receive rebate reimbursements via ACH. Unenrolled dealerships will receive rebate reimbursements via mailed check. If you would like to enroll, email ev@efficiencymaine.com.
- In November we are beginning outbound calls to dealerships to check in and provide updates on the Off-Peak Charging Electric Vehicle Rebate program.

Tips and Reminders

- Rebates are available for [businesses, nonprofits](#), and [governmental entities](#) purchasing both NEW and USED electric vehicles.
- [Efficiency Maine's \\$300 Off-Peak Charger Discount](#) is available to all Maine residents and businesses. We encourage you to share this offer with all of your EV customers.

Total Number of Program Rebates Paid (as of 10/1/2025): 6,267
