

August 2026 Dealer Newsletter

Hello Participating Dealers,

Program Notices

- Enhanced rebates available through September 30: Current electric vehicle rebate amounts include an additional \$1,000 bonus that expires September 30, 2026. Commercial electric van enhanced rebates up to \$14,000 also expire on September 30, 2026. See the [Dealer Portal](#) for the current incentive amounts.
- We are in the process of contacting dealers to re-sign our participating dealer agreement. This is a requirement of the program and must be completed by all participating dealers every two years. If you have any questions, please contact Alex Kesterson at alexander.kesterson@clearesult.com.

Tips and Reminders

- Reminder: Off-peak EV chargers installed in Maine can be purchased for as little as \$49. Visit <https://www.efficiencymaine.com/off-peak-charger-incentives/> to learn more.
- Reminder: Dealerships must enroll in CLEAResult's payment system to receive rebate reimbursements via ACH. Unenrolled dealerships will receive rebate reimbursement checks via postal mail. To enroll, complete and send the [Direct Deposit Agreement Form](#) to ev@efficiencymaine.com.

Top Models Rebated in June and July
