Re: EV Accelerator Program – Governmental Entity Certification Letter

This letter certifies that the entity identified herein is a Maine Governmental Entity or a Tribal Government located in the State of Maine,<sup>1</sup> duly formed and validly existing under applicable law, and that such governmental entity has, through all necessary and lawful action, authorized the purchase or lease of one or more electric vehicles. This letter further certifies that the electric vehicle(s) to be purchased or leased by the entity identified herein will be titled and used in the State of Maine and will be registered in the name of the Governmental Entity or Tribal Government identified herein.

The governmental entity identified herein, through its duly authorized officer, acknowledges that receipt of any rebate or incentive under the Efficiency Maine EV Accelerator program is subject to the terms and conditions of the EV Accelerator Program as established by Efficiency Maine, including the terms and conditions contained in the EV Accelerator Program Manual and the EV Purchaser Agreement to be executed at the time of purchase or lease of an eligible electric vehicle.

The governmental entity acknowledges that execution and delivery of this certification is a condition for pre-approval by Efficiency Maine for eligibility to participate in the EV Accelerator Program with enhanced rebate amounts for a Maine Governmental Entity or a Tribal Government located in the State of Maine.

Executed as of the date noted above by its duly authorized officer.
