*Qualified Low-Income Maine Residents, Maine Governmental Entities, and Tribal Governments must receive pre-approval, verifying the customer's eligibility, in the form of a letter from Efficiency Maine prior to the purchase or lease of an EV in order to receive the enhanced rebate amount. Maine Businesses and nonprofits must also receive pre-approval by providing proof of "Good Standing" from the Maine Secretary of State's website prior to the purchase or lease of an EV. The person identified as a Qualified Low-Income Maine Resident, Maine Governmental Entity or Tribal Government in a pre-approval must be the same person or entity who purchases or leases and registers the eligible EV
