

# RESIDENTIAL GEOTHERMAL HEAT PUMP Rebate Claim Form

| Requirements Checklist            |  |
|-----------------------------------|--|
| <b>All boxes must be checked:</b> |  |
| 1                                 | Invoice(s) attached, showing: <ul style="list-style-type: none"> <li>• Full model number and manufacturer</li> <li>• Cost</li> <li>• Completion date</li> <li>• Installation site address</li> </ul>   |
| 2                                 | Unit <b>Energy Star</b> -rated   |
| 3                                 | Installed in a single-family, duplex, or condominium located in Maine. Mixed use (residential/business) buildings with commercial meter(s), residential buildings with 3 or more units, and all other buildings are covered under our Commercial and Industrial Program. |
| 4                                 | Installed in primary living area, not a garage or outbuilding  |
| 5                                 | Rebate claim form emailed or postmarked within six months of project completion  |
| 6                                 | Installed by a geothermal <b>Efficiency Maine Residential Registered Vendor</b>  |
| 7                                 | Building is principal, year-round residence for occupants, not a seasonal, second, or vacation home  |
| <b>Check when applicable:</b>     |  |
| 8                                 | W-9 attached if the home is owned by a business and the business is the rebate recipient   |

NOTE: Lifetime limit is one geothermal rebate per housing unit (dedicated kitchen, sleeping area, and bathroom). Program subject to change without notice.

|   |               |           |             |                   |       |                |       |  |
|---|---------------|-----------|-------------|-------------------|-------|----------------|-------|--|
