There are two ways to access incentives for high-efficiency heating and cooling equipment. Instant discounts are applied at the counter when your contractor is purchasing equipment on your behalf OR your contractor can apply for an incentive from Efficiency Maine. Click here for claim form:

### Equipment eligible for INSTANT DISCOUNTS

- **ECM Circulator/Recirculator Pumps**
  - $75 if < 150 max operating watts
  - $150 for 150-500 max operating watts
  - $250 if > 500 max operating watts

### Heat Pump Systems Eligible for Cash Incentives

### Energy Recovery Ventilator (ERV)

| Sensible Heat Recovery CIP Incentive per CFM |    |
| ≥ 55% to < 65% | $1.50 |
| ≥ 65% to < 75% | $1.75 |
| ≥ 75% to < 85% | $2.00 |
| ≥ 85%          | $2.25 |

### VFDs for HVAC

- $400 - $2,300 per unit (incentive varies by system horsepower)

### Boilers > 500 MBtu/h (Natural Gas, Compressed Natural Gas, Oil, and Propane)

- $650 - $12,500
- Incentive varies by system size and fuel type

### Boiler Controls & Ancillary Equipment

- Modulating Burner Control: $1.25 per MBtu/h
- Standard Boiler Economizer: $950 per MMbtu/h
- Condensing Boiler Economizer: $1,325 per MMbtu/h
- Boiler Reset/Lock Out Controls: $375 per Unit
- Oxygen Trim Controls: $0.75 per Mbtu/h
- Boiler Turbulator: $9.50 per Unit
- Programmable Thermostat: $100.00 per Unit

### Biomass Boilers and Furnaces

- 1/3 of project costs up to $6,000

Equipment efficiency requirements vary depending on fuel type and equipment size. Work with an Efficiency Maine Qualified Partner to learn more about eligibility requirements, complete program guidelines, and project completion time periods — and to upgrade your facility.

Efficiency Maine is the independent administrator for energy efficiency programs in Maine. Efficiency Maine’s mission is to lower the cost and environmental impacts of energy in Maine by promoting cost-effective energy efficiency and alternative energy systems to help customers save electricity, natural gas and heating fuels throughout all levels of the Maine economy.
