Your costs and savings may differ.

BENEFITS OF WEATHERIZATION

Improving insulation can make your home more comfortable, lower your heating bills, and prevent ice dams, frozen pipes, and cold drafts.

Insulation Incentives Up to \$9,200

TERMS AND CONDITIONS

Efficiency Maine does not warrant the performance of rebated upgrades. Program and incentives subject to change. Please allow six weeks for rebate processing. Incomplete information may delay or disqualify your rebate. Efficiency Maine reserves the right to verify installation and perform an inspection.
