

Sites Interested in Hosting Public Electric Vehicle (EV) Chargers

The following list contains businesses and other commercial property owners (or tenants) that have indicated their interest in hosting public chargers for electric vehicles (EVs) on their property as part of [Efficiency Maine's Request for Proposals \(RFP\) for Rural EV Chargers \(Phase 4 Round 3\)](#). Efficiency Maine has **not** vetted these sites to determine if they meet the eligibility requirements for the RFP. If you have an eligible property and would like to be listed here, please fill out the [Host Site Interest Form](#).
