

June 2026 Dealer Newsletter

Hello Participating Dealers,

Program Notices

- **Enhanced rebates available through September 30:** Enhanced rebates up to \$14,000 for businesses, nonprofits, and governmental entities that purchase eligible new commercial electric vans. Enhanced rebate amounts on other vehicle types also available through September 30, see the [Dealer Portal](#) for the current amounts.
- **Dealer Pocket Guide:** A new pocket guide for dealers is now available to help salespeople answer customer questions about EVs and Efficiency Maine rebate options. Reach out to Alex Kesterson (alexander.kesterson@clearresult.com) to receive one.
- **Compare Driving Cost Calculator:** See what you could save by switching to an electric vehicle (EV) by checking out the new driving cost calculator.

Tips and Reminders

- **Reminder:** Mainers of any income can get off-peak EV chargers for as little as \$49 by visiting efficiencymaine.com
- Dealerships must enroll in CLEAResult's payment system to receive rebate reimbursements via ACH. Unenrolled dealerships will receive rebate reimbursements via mailed check. To enroll, complete and send the [Direct Deposit Agreement Form](#) to ev@efficiencymaine.com.

Top Models Rebated in April and May
