WHOLE-HOME OR SUPPLEMENTAL HEAT PUMP RESERVATION
Request For Low- or Moderate-Income (LMI) Customers

efficiency MAINE

Please do not include any customer's income-related documentation in your communications. Customers should verify income eligibility using the Efficiency Maine Income-Based Eligibility Verification webpage. Customers needing assistance with income verification should call 866-376-2463.

Your reservation will not be considered complete until all requested information is received, and Efficiency Maine has provided a reservation number. Please refer to the Whole-Home or Supplemental heat pump rebate claim forms for the most comprehensive list of rebate requirements. Low-income heat pump claims will only be paid to the Residential Registered Vendor. Moderate-income claims may be paid to either the Residential Registered Vendor or the homeowner.

Residential Registered Vendor:	
Residential Registered Vendor email:	

Customer Name:	
Customer Phone Number:	
Customer email (optional):	
Site Address (Street, Town, Zip):	

Please acknowledge that property is an owner-occupied principal residence:	
Will this job have an associated Home Energy Loan?	
LMI Rebate and Qualification:	
Is the home a mobile home?	
What is the home's primary heating fuel?	

Please acknowledge that rebate-eligible heat pumps will have only one indoor unit per outdoor unit and will be 25C federal tax credit eligible. Additionally, for the low-income Supplemental heat pump rebate, the system will function down to negative 10F.
