

# RESIDENTIAL WEATHERIZATION

## Low- and Moderate-Income Reservation Request Form

Your reservation will not be considered complete until all requested information is received and Efficiency Maine has provided a reservation number.

For an assessed-value reservation, proof of assessed value (land and building combined, before exemptions) is required and must be submitted with the request. Efficiency Maine will verify eligibility for LIHEAP, SNAP, TANF, MaineCare, and Direct Mail reservations.

**LMI claims will be paid only to the Residential Registered Vendor.**
