

# RESIDENTIAL WEATHERIZATION

## Low- and Moderate-Income (LMI) Reservation Request

Please do not include any customer's income-related documentation in your communications. Customers should verify income eligibility using the Efficiency Maine [Income-Based Eligibility Verification](#) webpage. Customers needing assistance with income verification should call 866-376-2463.

Your reservation will not be considered complete until all requested information is received and Efficiency Maine has provided a reservation number. Low-income weatherization claims will only be paid to the Residential Registered Vendor.

Residential Registered Vendor:	
Residential Registered Vendor email:
