

## Questions for an Efficiency Maine Participating Electric Vehicle Dealer

To help you select a vehicle and maximize available incentives, here are some questions we suggest you ask Participating Dealers.

### Questions to Ask an Efficiency Maine Participating Electric Vehicle Dealer:

1. What vehicles do you sell that qualify for Efficiency Maine incentives?
2. Can you explain the process to get an Efficiency Maine discount on your electric vehicles?
  - a. If your salesperson is uncertain, ask if someone else on their team can help with the process. You can also ask that they call us at 866-376-2463.
3. Will you provide all required information for me to claim the [federal Clean Vehicle Tax Credits](#) (if the vehicle is eligible)? Will you provide that information to the IRS too, as is required?
  - a. If your salesperson is unfamiliar, ask if someone else on their team can help with the process. You can also ask that they call us at 866-376-2463.
4. Do you offer special maintenance or service for electric vehicles?
