Home Energy Savings Program
and Low Income Initiatives
RFP# EM-011-2022**

Responses to Questions

Are bidders expected to respond to the entire HESP/LII Program RFP scope?

A: Yes.

Can a proposal be offered to one channel such as LII Targeted Initiatives pilot?

A: This RFP is soliciting bids for the entire project scope of the Home Energy Savings Program and Low-Income Initiatives.

Will there be a separate RFP for pilots that may be related to the Home Energy Savings Program and Low Income Initiatives?

A: We do not have any pilot projects planned under this RFP, although we could conduct such projects within the scope of the awarded contract. Pilot projects related to residential programs may also be posted outside of program RFPs and would be listed separately in the Opportunities section on our website. Individuals can subscribe to RFP notices at <https://www.energymaine.com/about/newsletter-signup/>.

Are bids considered confidential?

A: No.
