HEAT PUMP WATER HEATER

Tens of thousands of Mainers own heat pump water heaters. They're popular because they produce lots of hot water, can save more than \$5,000 over their 10-year life, and with current incentives, can be less expensive to buy than traditional electric water heaters.

REBATES

- Free heat pump water heater, including installation

ELIGIBILITY

- Home Energy Assistance Program (HEAP), or
- Supplemental Nutrition Assistance Program (SNAP) for food assistance, or
- Temporary Assistance for Needy Families (TANF) for cash assistance, or
- MaineCare for medical insurance coverage

OTHER REQUIREMENTS

- Basement space with a 6-foot ceiling*
- Water heater in the basement
- Must call 866-376-2463 to be assigned a participating installer

* *Mobile homes or homes on a slab foundation do not qualify.*

HEAT PUMP

When properly installed and operated, modern, high-efficiency heat pumps can provide heat very cost-effectively, even through the coldest winter months. Thousands of satisfied Mainers already enjoy the benefits and savings that heat pumps provide.

REBATES

- \$2,000 for first eligible heat pump
- Up to \$400 for second eligible heat pump

ELIGIBILITY

- Home Energy Assistance Program (HEAP), or
- Supplemental Nutrition Assistance Program (SNAP) for food assistance, or
- Temporary Assistance for Needy Families (TANF) for cash assistance, or
- MaineCare for medical insurance coverage, or
