

Residential Registered Vendor Monthly Report February 2018

Program Updates

- On 1/22/2018 we temporarily suspended new applications for home energy loans. While Renew Financial, our loan servicing center, has cleared up about a fourth of their backlog, we're going to continue the suspension until they're caught up. We'll let you know when they're accepting new applications again. For more information on specific loan applications, call 866-376-2463. We apologize for the inconvenience.
